A Single Step

Each man's beginning is that first small step taken hopefully in the right direction. This beginning develops into man's foremost attempt to reach his goals in life.

Everything man does or achieves must have an origin. All the decisions he must make in life—his education, his vocation, his sole purpose in life—are first steps, and they must be considered carefully.

To meet these challenges and decisions of everyday life, man must have a basic foundation on which to build. This foundation, which is begun at home, continues throughout the school years. All of the facets of a total education are but single steps.

A single step to gain knowledge in the classrooms. Decisions have to be faced and problems have to be confronted.

A single step to build friendships. This affords everyone an opportunity to make new friendships and to enrich the old ones.

A single step to achieve victory. This is a spirit that arises not only in sports, but also is present in the daily life of the student.

A single step to communicate with the faculty. School instructors not only train young adults for the future, but also help them with everyday problems.

A single step to join clubs. Activities help to further interests in specific fields.

A single step to acquire honors. Many find this facet a rewarding goal for fine work achieved throughout the years.

The Les Memoires staff of 1970 challenges the students of Bossier High School to make their single step into the future as educated young adults. Just as Neil Armstrong realized when he stepped out onto the surface of the moon, the longest journey begins with a single step.

Honors

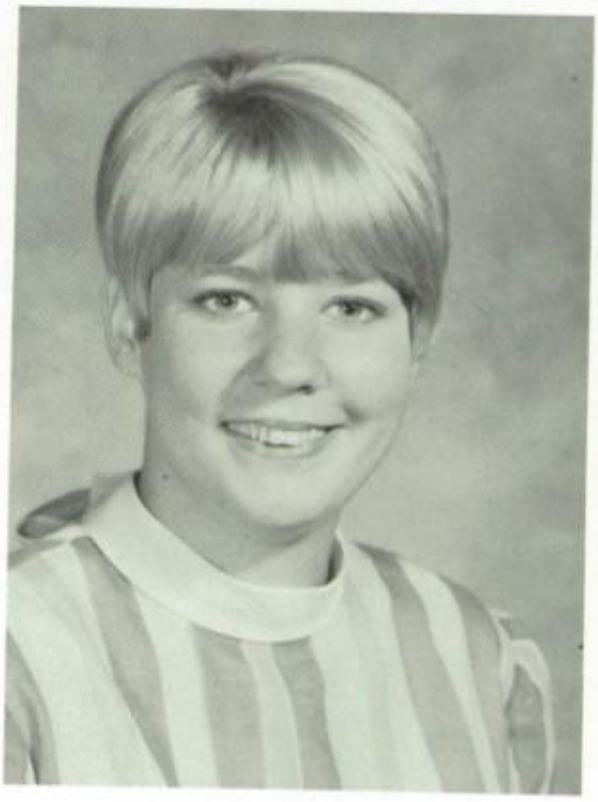
Teachers Select Six Students

JERI JANE BARTEET

Drum Major Jeri Barteet was not only a worker in her studies, but she was also a hard worker in extracurricular activities. Jeri worked diligently in the band for four years. She was chosen as majorette her junior year, and as drum major her senior year. Her teachers selected her a Pelican State Delegate, and she was elected by fellow students as "Best Citizen." Jeri also found time to become an active member in Future Teachers of America. After graduation, Jeri plans to attend Tech and major in teacher education.

GALEN ZACK SANDERS

Senior Class President Galen Zack Sanders has proved himself outstanding in his studies and in his extracurricular activities. His teachers selected him to membership in the National Honor Society, and as delegate to Pelican State in junior year. Football kept him busy the first part of each school year, but he found time to carry out his duties as a member of the Key Club, Fellowship of Christian Athletes, and "B" Club. Galen will attend LSU—Baton Rouge after graduation and major in premed.



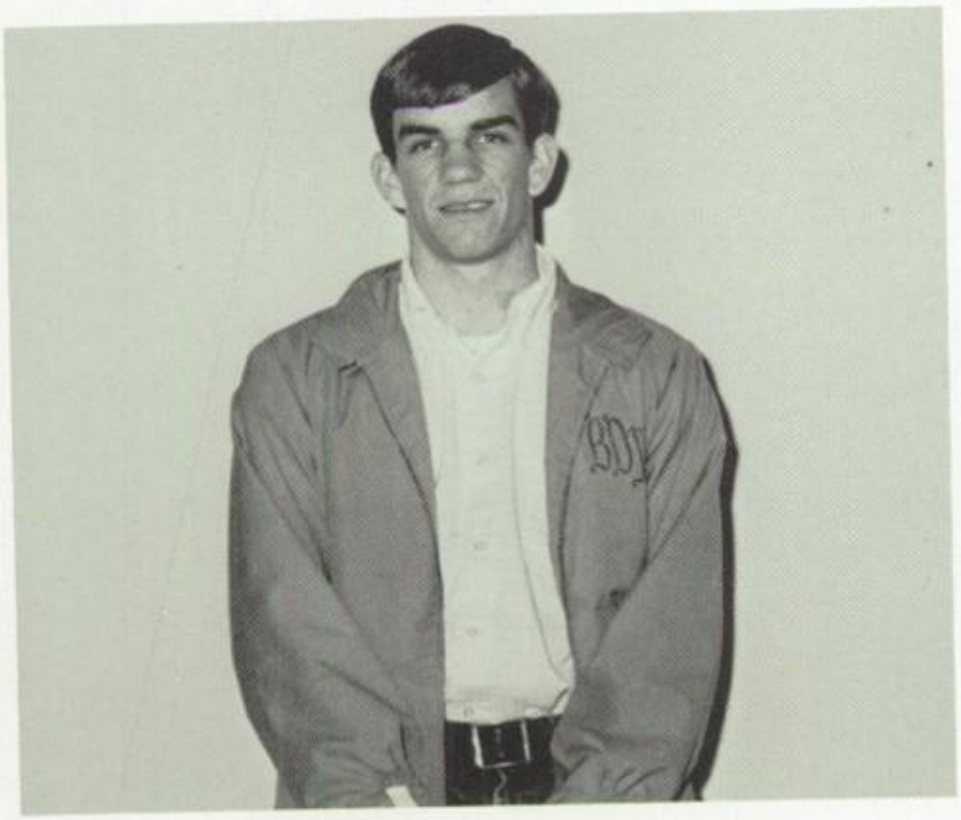
JOHN PATRICK RICH

John Patrick Rich, Key Club President, was another Bossier outstanding student. He played football for four years, a Pelican State Delegate, a member of Fellowship of Christian Athletes, Sigma Alpha Chi, and Student Council. His teachers selected him a member of the National Honor Society in his junior year, and his fellow students elected him "Best Citizen" this year. After graduation, John Patrick will attend Northeast College to study coaching and teacher education.

Who's Who of Bossier High

REBECCA LEE FULGHUM

An active participator in many activities was Rebecca Lee Fulghum. Her job as Les Memoires Club and Copy Editor took up much of her spare time, but she found time to make excellent grades, worked in student office, participated in Le Cercle Francais, and worked with the Aviation Club. Her teachers selected her to membership in the National Honor Society in senior year. Rebecca Lee will attend LSU—Shreveport and major in Psychology.



BILLY DON McHALFFEY

One of Bossier's most active students, and a friend to all fellow students, was Billy Don McHalffey. Being an outstanding athlete in football, basketball, and baseball he still found time to carry out his duties as a member of the Key Club, and Fellowship of Christian Athletes. After graduation, Billy Don plans to attend college on a basketball scholarship.

ANITA CAROL LANE

Anita Carol Lane served on Bear Facts Staff for four years, and was chosen Editor for her senior year. Besides being editor, she was an active member of Mu Alpha Theta, Spanish Club, Sigma Alpha Chi, and Student Council. Anita Carol's teachers selected her to National Honor Society her junior year. After graduation, she will attend Louisiana Polytechnic Institute to study computer science.

Mr. BHS

Joe McNeely

Joe McNeely, one of Bossier's mighty 'Kats, was chosen as this year's Mr. BHS. His four years of high school proved to be successful in all fields—both socially and academically. There's always room on the top for people like Joe, who try hard and reach out for their goals. We Bearkats believe that was why Joe McNeely deserved this honor.

Miss BHS

Sissy Hardaway

Completing four years of hard work at the home of the Bearkats, Sissy Hardaway was elected Miss BHS. During her years at BHS, she was a qualified leader in many fields and a dedicated Bearkat. She always had a warm smile and a special glow which set her apart from others. If ever anyone deserved this honor more, it was "Big Sis" and we're proud she's one of ours.

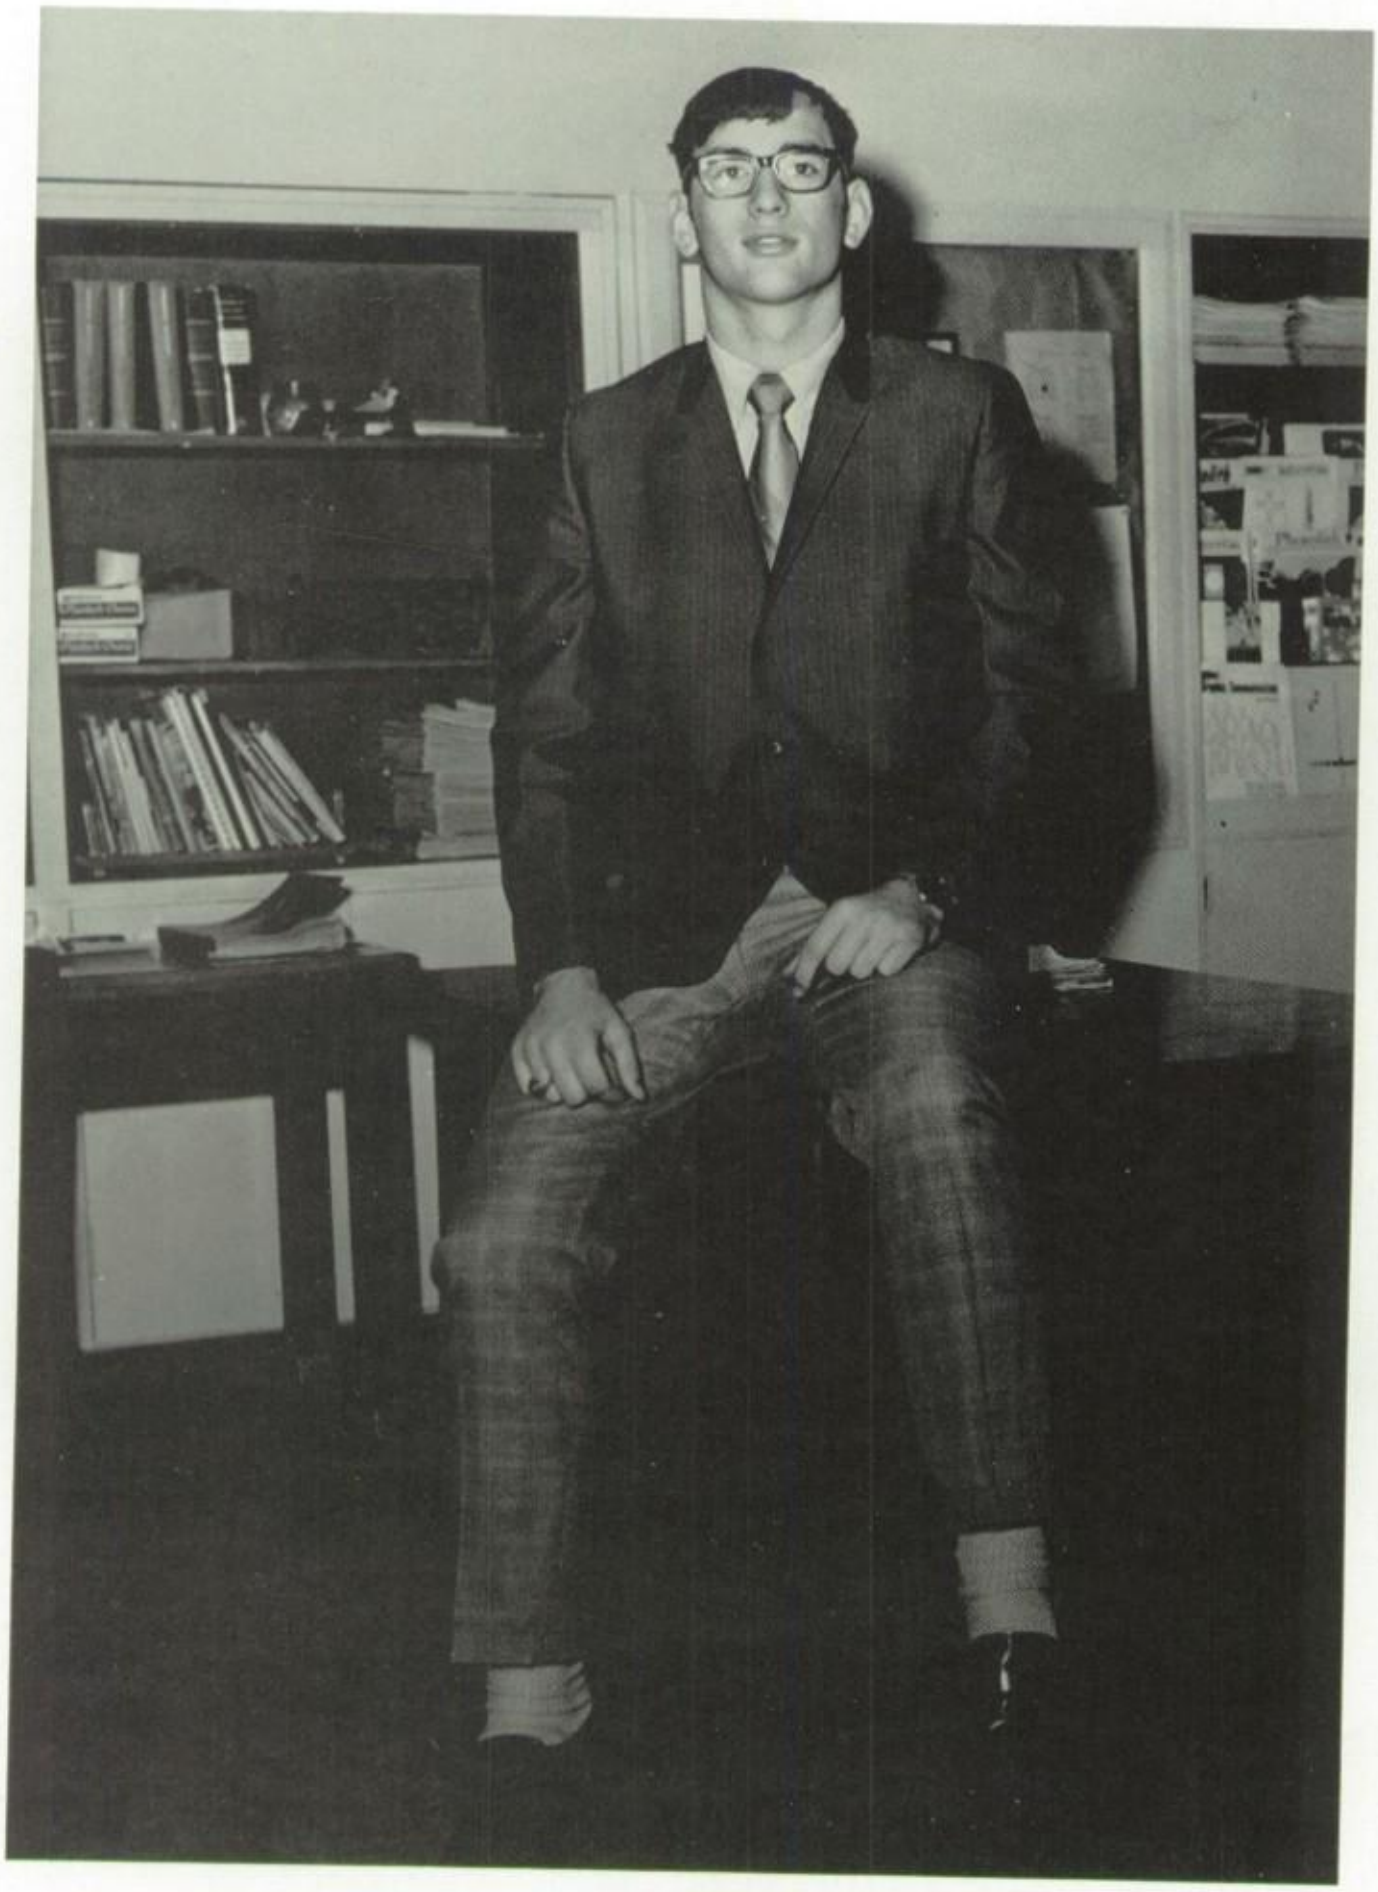
Advisers: Mrs. Neal and Mrs. Robbins.

Membership to this honorary journalistic society was limited to Junior and Senior students on the Bearfacts and Les Memoires staffs. These "chosen few" had to be in the upper third of their class and be recommended by their staff adviser. The advisers' recommendation was determined by the particular student's scholastic average and contributions in the field of journalism. The society stressed the qualities of dependability, responsibility and initiative. Acceptance to Quill and Scroll was announced to the Student Body in late spring.



Mr. Les Memoires

Larry Joel Wood

Mr. Larry Joel Wood's pleasant smile and his sincere intentions have won for him the high admiration of not only fellow students, but also the teachers. He was selected by his teachers to membership in National Honor Society, and as delegate to Pelican State in junior year. His fellow students elected him "Most Likely to Succeed" this year. Football, basketball, and track kept him busy, but he found time to carry out his duties as a member of Key Club, "B" Club, and Fellowship of Christian Athletes. To be selected as recipient of the title "Mr. Les Memoires" is a recognition of the high degree to which he has fulfilled his responsibilities.

Miss Les Memoires

Rebecca Lee Fulghum

Miss Rebecca Lee Fulghum, with a twinkle in her eyes, and a sweet smile, went quietly about her work with perfect results. Teachers and students alike knew that she could be depended upon to do a good job. She was a member of Quill and Scroll, Aviation Club, Le Cercle Francais, and this year was selected by her teachers to National Honor Society. Becky's efficiency and untiring devotion to her work and her school earned her the respect and love of all. We think of no one more deserving of the title "Miss Les Memoires" than Rebecca Lee Fulghum.

Les Memoires Finished 25th Edition

The 1969-70 Les Memoires was composed of fifteen students who were recommended and asked to work on the staff by their teachers. They were guided by Mrs. LaVerne Neal, who has had seventeen years of experience in yearbook work.

The aim of this year's publication was, as always, to tell the story of the school year through pictures and writing. In accordance, members used to the full extent the staff working hours of homeroom and sixth period. After-school work was not uncommon when deadlines were to be met.

The students easily recognized the staff as they were always scheduling pictures, taking pictures, and rushing to make lay-outs to meet their deadlines.

The making of a yearbook was found to be like running a business. Financial records had to be kept, time had to be conserved, and members had to cooperate.

It was the staff's sincere hope that the student body would find the finished product a reflection of a year filled with changes and that in the year to come each student would find joy in recalling these memories.

Photographers

Throughout the year this particular part of the yearbook staff played a most significant role. Our three men "behind the camera" had the double job of taking and printing the pictures used in the 1970 Yearbook. Many after school hours were spent working in order to meet deadlines.

Knowledge about picture taking, developing, and printing was required of each of the boys, as the yearbook staff took care of all its pictures from start to finish. The experience they acquired as they carried on their duties was beyond measure.

Staff photographers included Seniors James Connors and Rod Forester and Junior Jay Baronet.

Bearfacts Strived for "New Look"

The 1969-70 Bear Facts staff strived for a "new look" this year in the production of their paper. Under the strong supervision of Mrs. Mary Ann Coburn, the staff produced six editions.

With a change of printers, Bear Facts tried new ideas to produce a newspaper with a better looking appearance. For the first time, different colors of ink were used. Along with the "new look," the staff tried to arouse interest with editorials as well as news stories.

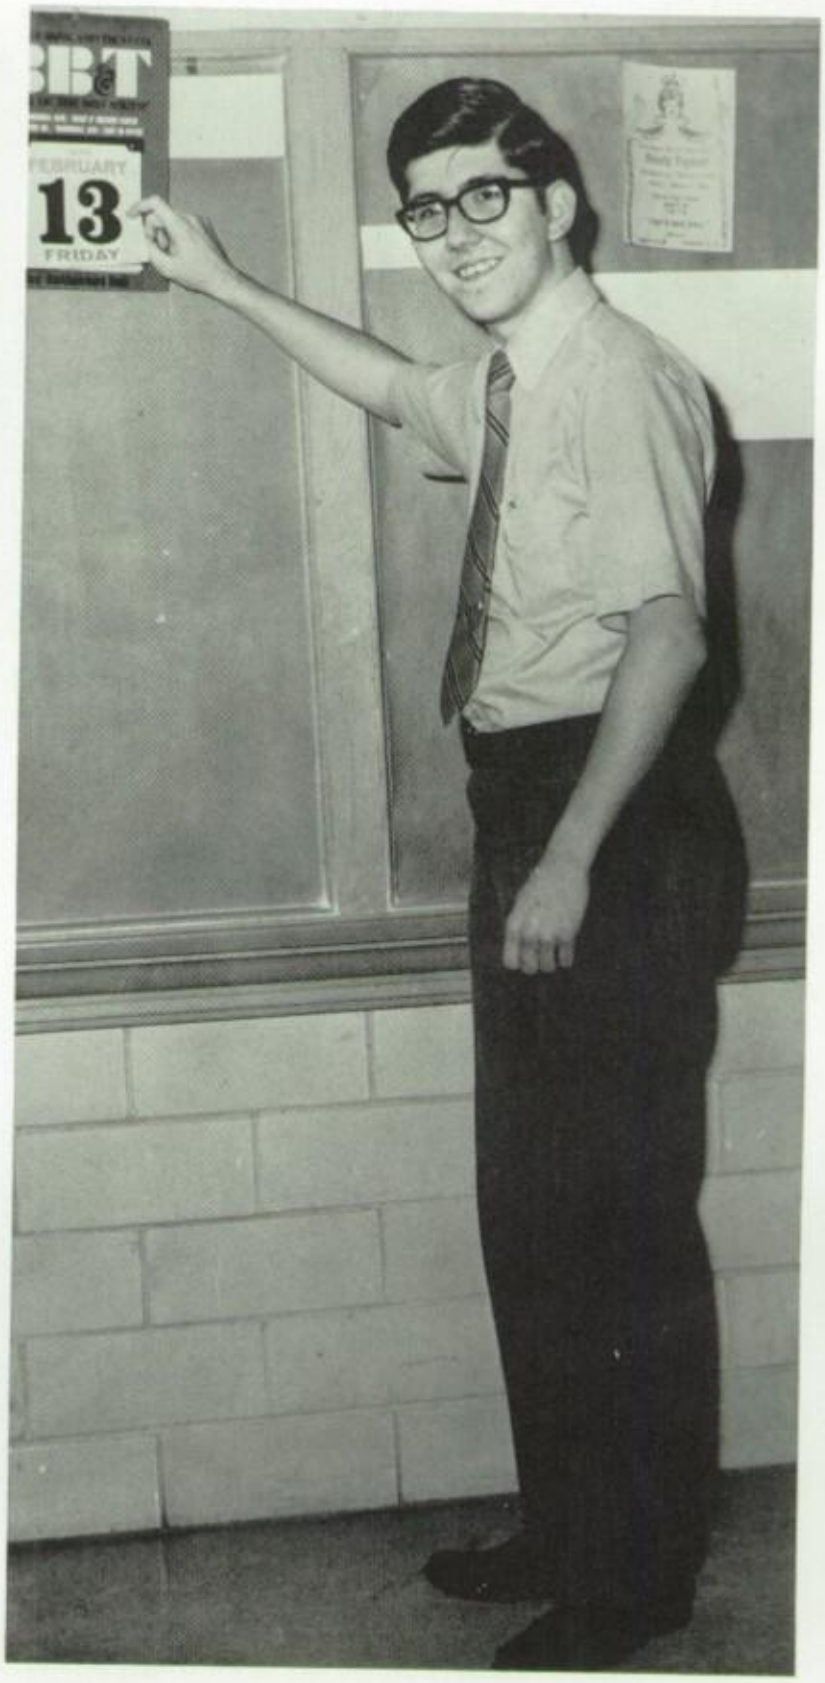
The Bear Facts staff ably presented a comprehensive newspaper, based on student life at Bossier High School, which would be a source of information to each student.

Regular features were improved. Sports was increased in scope and variety. Members worked d'ligently to give adequate coverage to each aspect of the student's school life.

Mrs. Coburn worked with the members during the first semester. Editor for this year was Anita Lane. Assistant Editor was Steve Colvin. Thomas Burger was photographer.

All members of Bearfacts co-operated together and each issue of Bear Facts proved to be interesting.

Mrs. Robbins willingly fulfilled the vacancy created by Mrs. Coburn leaving BHS. One of her first actions during the second semester was to move the staff to room 121, next to the yearbook room. The staff really appreciated Mrs. Robbins' help and concern.



Above: Anita Lane found that serving as editor involved hours of hard work.
Right: Steve Colvin, assistant editor, revealed the deadline for the next issue.

EDITORS: *Seated:* Nancy Elston, Anita Lane, Louise Adams, Joan Mladenka. *Standing:* Steve Colvin, Warren DeSoto.

Thomas Burger was the only photographer and he was always busy.

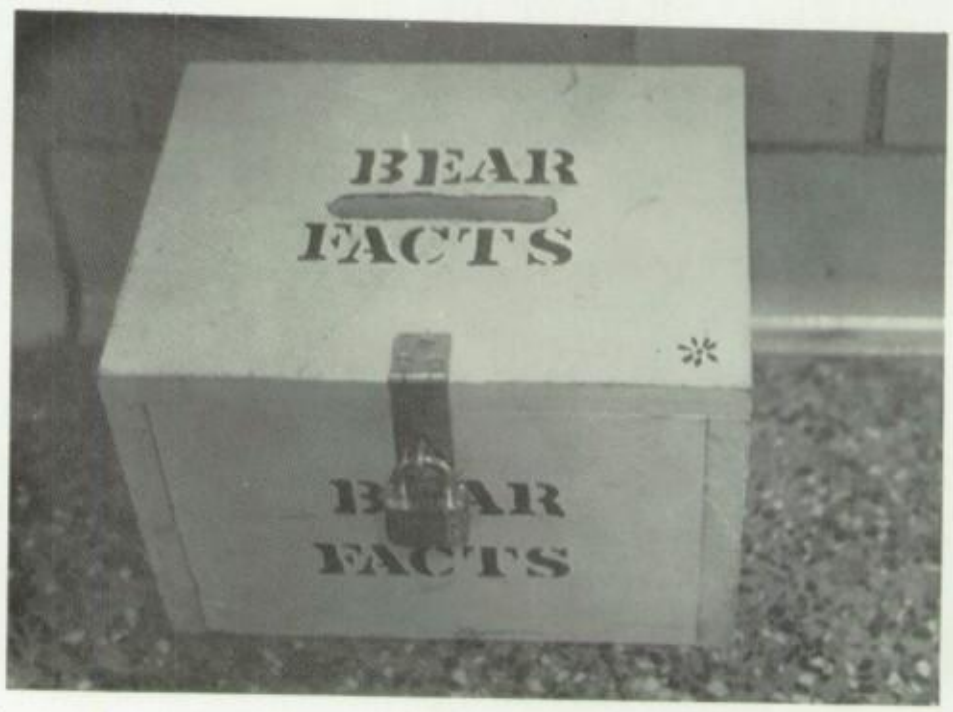
Ad Staff Obtained Funds for Bearfacts

The Bear Facts Ad Staff has as its primary purpose the responsibility of obtaining funds to financially support the high school newspaper.

Some of the duties of the staff included selling, billing, making deposits, record keeping, and making ad layouts.

Members were selected on the basis of their interest in advertising and newspaper work, ability, and scholastic standing.

Adviser for the first semester was Mr. Haire and for the second semester, Mrs. Robbins.



Upper Right: Much time was required to obtain ads from local businesses.
Lower Right: The Bearfacts box was used to hold the suggestions made by the students.

A Cappella Choir Presented "The Mikado"

The A Cappella Choir is a new choral group at BHS. The term means without accompaniment, however, the choir doesn't sing everything a cappella. The students in this organization are selected by an audition. They are judged on voice quality, experience, range and ability.

The activities for the year have been very strenuous. In November they presented *The Mikado*, an operetta by Gilbert and Sullivan. In December, the annual Christmas program was presented at BHS. Members of the choir sang at nine other meetings and schools. Selections from the program were played on KBCL Radio on Christmas Day. In the Spring, members sang at the Solo and Ensemble Festival in Natchitoches. An American Heritage concert was presented in conjunction with the observance of American Heritage Week. For the first time the choir presented two musicals in one year. The second production, *Iolanthe*, was performed in the spring. The choir activities were concluded by singing for the Baccalaureate commencements.

Two girl choral groups combined to form the Bel Canto Chorale. The chorale performed at the various programs.

Band Traveled to Saints' Game

DRUM MAJOR: Jeri Barteet

ASSISTANT DRUM MAJOR: Linda Brightwell

This year has become an additional success for the Bossier High School Band. The band, under the proud direction of Mr. Kenneth L. Green, put on fine exhibitions of marching and playing at all the Bossier football games and climaxed the marching season with a superior rating at the Louisiana Music Educator's Association marching festival held in Bossier City. Also in Tulane Stadium in New Orleans, the band performed a six minute half-time show at the Saints and Eagles football game. After the excitement of the marching season, the band went into rehearsal for the coming concert season. In March, they performed at the annual concert festival in Natchitoches, Louisiana.

Throughout the years our band has been the very best and will never fail to bring fame to Bossier High School.

Ten Girls Chosen for Pelican State

During the month of August ten delegates represented Bossier High School at the 1969 session of Pelican State. Both the delegates and alternates were chosen by the faculty in April. These students possessed outstanding character, leadership, scholarship and co-operation. The American Legion and the American Legion Auxiliary sponsored Pelican State each year. The purpose for having a mythical fifty-first state was to teach young people the responsibilities, privileges, and rights of their American citizenship.

Each of our delegates held either a city, parish or state level poistion. Throughout the week various officials and board members worked on problems that face government officials every day. Included in their projects was a new school year and new methods of flood control. The delegates spent their time learning and practicing governmental procedures and listening to speeches made by city, parish, and state officials.

Standing: **Steve Ponder, Steve Hardaway, Ed Wright, Daniel McCuller, Larry Wood, Boyd Morrison, James Connors.** *Sitting:* **Pat Rich, Galen Sanders, Joe Gay.**

Ten Boys Chosen for Pelican State

James Connors and Ed Wright served as members in the Senate. Boyd Morrison was a representative in the House of Representatives. Michelle Smith, Jerri Barteet, and Kathy Gardner were city officials. Steve Hardaway and Sandra Cain were elected parish sheriffs. At the close of the week Sandra was named "Most Outstanding Sheriff of Girls' State."

The delegates were placed in Pelican Girls' State and Pelican Boys' respectively. Each person was a member of a city, which consisted of thirty delegates. Two cities made up a parish; half of the cities made up a party. Delegates, who wished, were eligible to run for an office.

Later in the week each person was assigned to either the Federalists or Nationalists party. Sissy Hardaway was the Federalists party leader. These parties submitted candidates for each office. Then the citizens of Pelican State exercised their privilege to vote and the results were made known.

Thirty Students Found Guilty

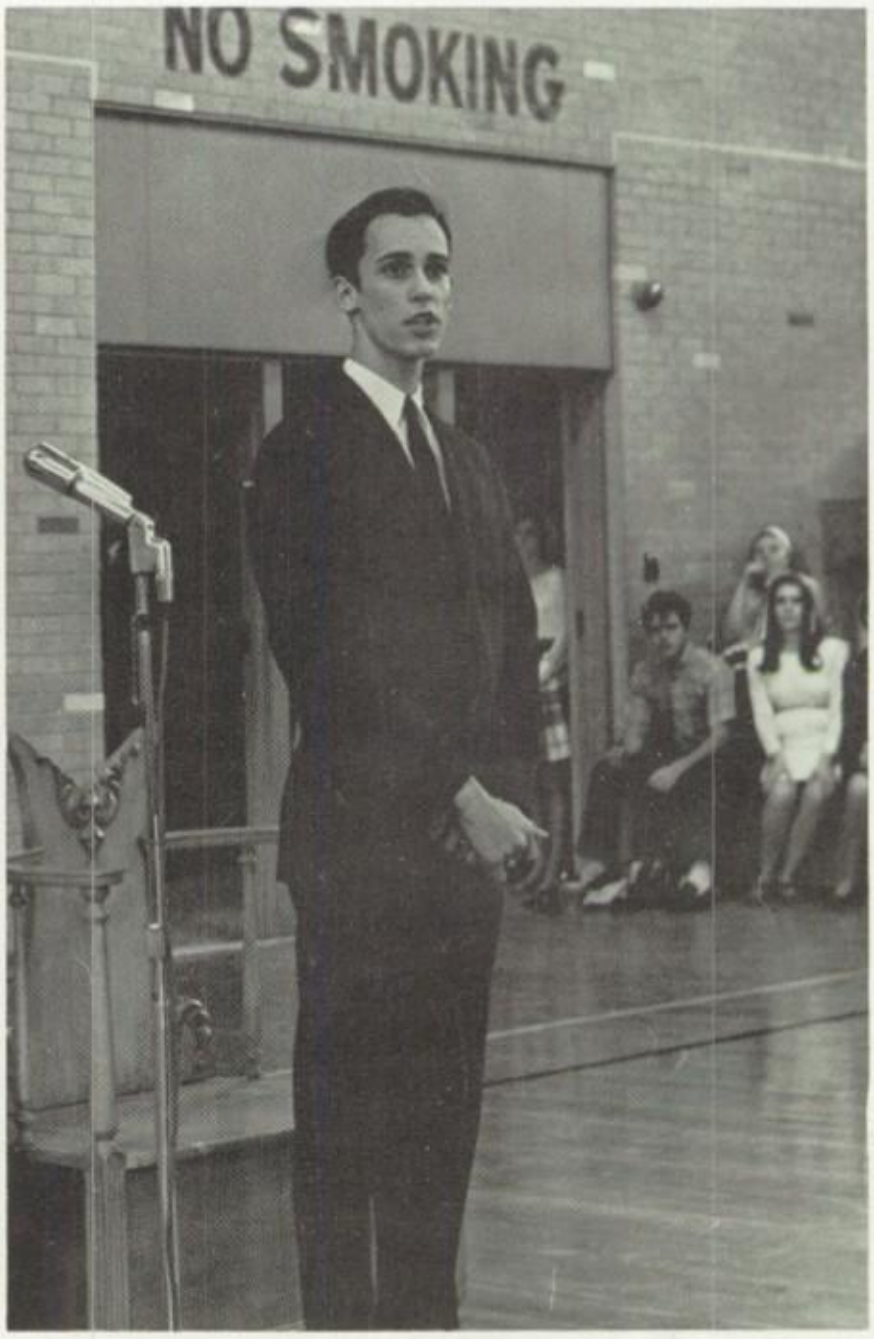
In election to the National Honor Society, the faculty knows the attainments already realized and recognizes the promise of continued excellence in the cherished ideals of character, scholarship, leadership, and service.

On Wednesday, March 19, 1969, the student body eagerly awaited the calling of the new members duly elected. Ken Wodke gave the history of the local chapter. Steve Ramey—resident judge for the trial of the "guilty" students—and other members assumed the different positions of the court. Ten seniors and twenty juniors were sentenced to be formally initiated the following week.

New members smiled proudly as the old members pinned the official NHS ribbon on them.

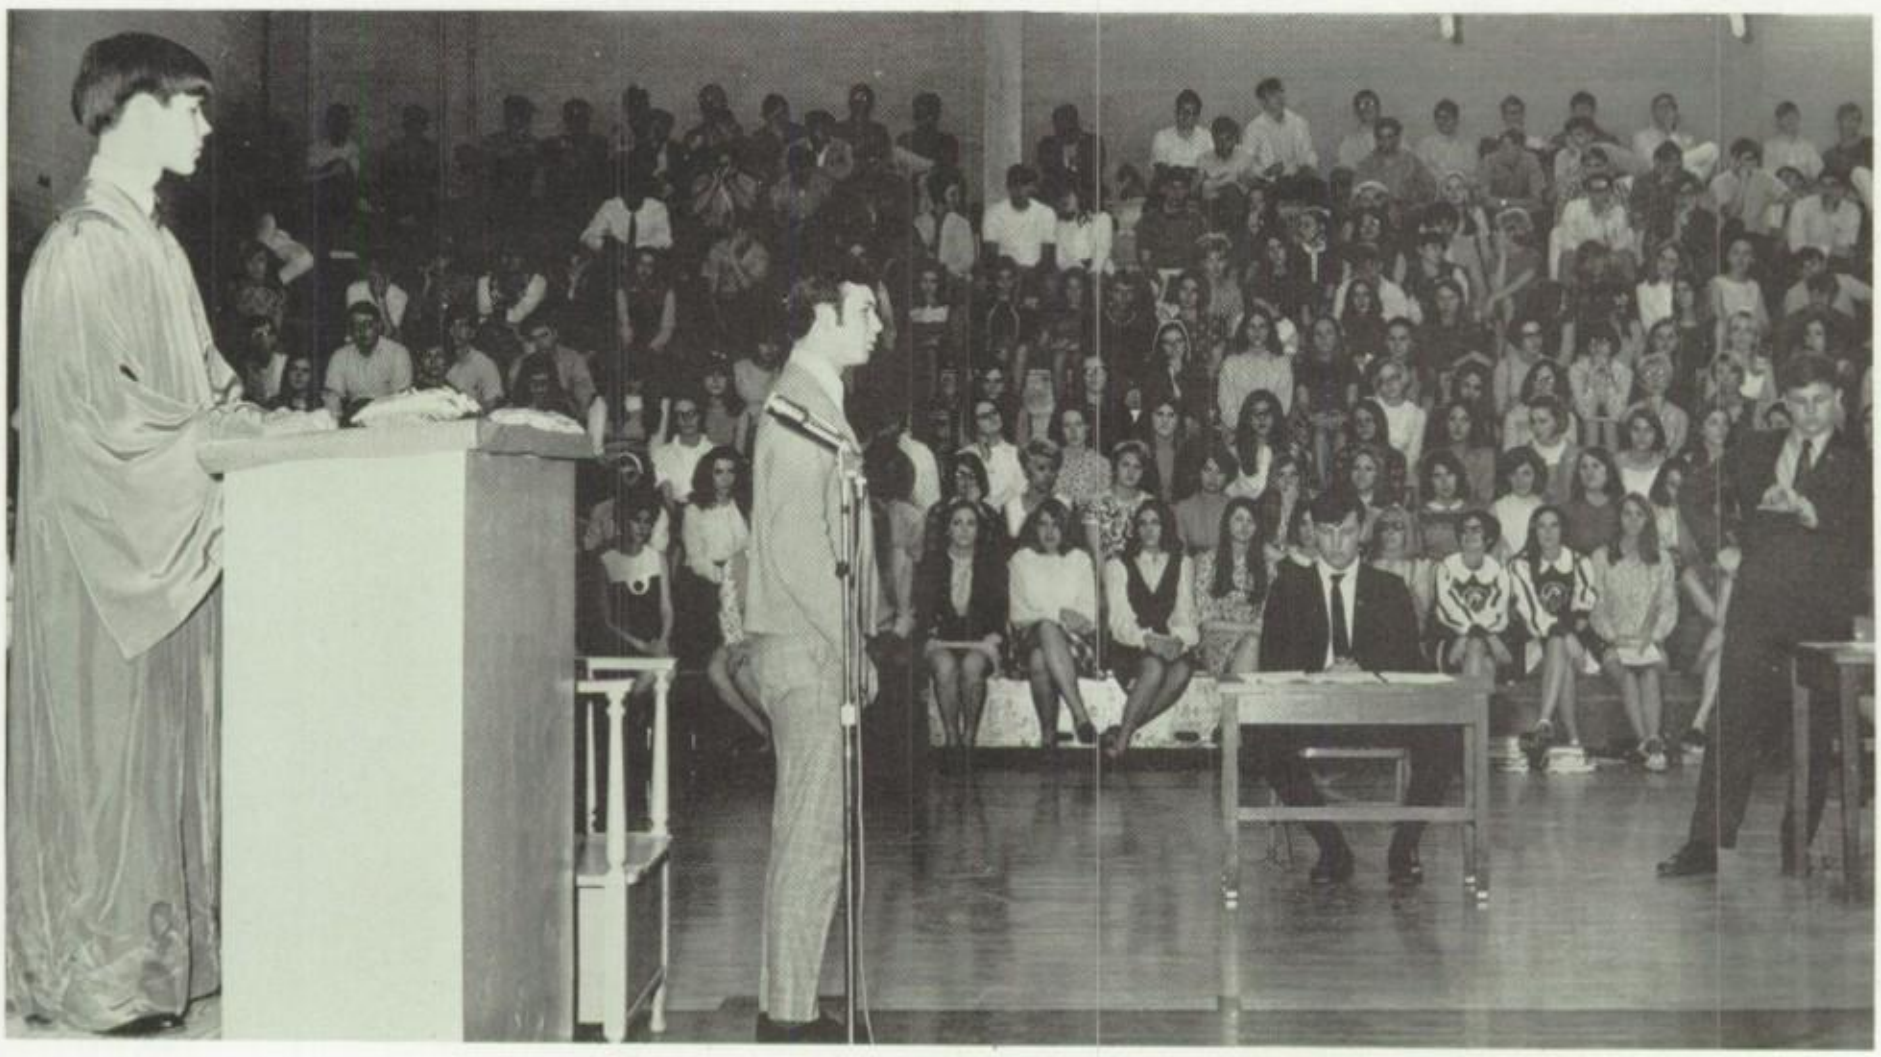
Judge Steve Ramey presided over the court scene for the 1969 National Honor Society.

Mrs. Gamble counseled with old members of NHS to make plans for the incoming members.



The audience listened while qualities of leadership were explained by Larry Lovell.

Cliff Jordan was a witness to the quality of leadership.



New Members Were Formally Initiated

The parents of the initiates and the faculty assembled in the library on March 1969, for the beautiful formal initiation ceremony.

This impressive candle-lighting service instills within the inductees the importance of the honor and the responsibilities that are conferred upon them with membership.

"A candle's but a simple thing;
It starts with just a bit of string
Yet dipped and dipped with patient hand,
It gathers wax upon the strand
Until, complete and snowy white,
It gives at last a lovely light.

Life seems so like that bit of string;
Each deed we do a simple thing,
Yet day by day if on life's strand
We work with patient heart and hand,
It gathers joy, makes dark days bright
and gives at last a lovely light."

1969 Homecoming Queen

Kathy Reigned Over Homecoming Court

The thirtieth annual Homecoming was held at Bossier High School on October 17, 1969, in the Bossier Memorial Stadium. The 1969 Homecoming Court consisted of Queen Kathy Gardner, Band Sweetheart Kathy March, Football Sweetheart Kathy Davenport, and eight maids, which were chosen from their respective classes. While Senior Pep Kat members formed a honor guard, the court, escorted by their fathers, walked one by one across the football field to be presented to the student body, faculty, and parents.

The court was presented to the student body earlier that day in the Pep Rally by outstanding boys chosen by the court.

Hosted 1970 NLASC Convention

The Student Council served as the voice of the Student Body. Its members consisted of homeroom representatives, members-at-large, and officers. Its objectives were made known to each member and they were expected to fulfill them. Some of the objectives included promoting good citizenship, developing leadership qualities, providing opportunities for student expression, and improving student-faculty relationships.

The Student Council undertook numerous projects throughout the year. Among these were completing the BHS Scrapbook, sponsoring the Jamboree Dance, publishing the BHS Student Directory, holding the Citizenship Week, and sponsoring the Homecoming Dance. The highlight of this year's activities was the sponsoring of a successful Beauty Pageant, whose theme was, "Oh, You Beautiful Doll." The Student Council officers also attended many conventions. Some of these were the Louisiana Association of Student Councils Convention held in Alexandria, the Southern Association of Student Councils held in Savannah, Georgia, and the Constitutional Convention of the L.A.S.C. held in Alexandria. The Bossier High School Student Council acted as Secretary for the Northwest Louisiana Association of Student Councils and hosted the convention this year.

She's Our Doll

Lovely Karen Williams, a BHS senior, was selected Most Beautiful for 1970. A true beauty, Karen stands 5'9", has brown eyes, blonde hair and is eighteen years old. Karen is the daughter of Mr. and Mrs. William Miller.

Following her graduation from BHS, Karen plans to attend Northwestern State College of Louisiana. She wants to major in psychology. Even though Karen doesn't resemble a tomboy by any means, she still loves horseback riding, swimming, fishing and hunting, particularly duck hunting.

The Girls' Glee Club had the honor of sponsoring Karen, who is without any question, "Our Doll."

Cindy Hardin

Pretty, bright eyed and friendly Cindy Hardin was honored with the title of first runner-up in the 1970 Beauty Pageant. As a senior, Cindy was elected as class favorite and homecoming maid. She is 5' tall, has brown eyes and brown hair. Cindy is the daughter of Mrs. Lee Hardin.

Cindy enjoys spending her leisure time skating, bowling, horseback riding, and playing tennis. Cindy's ambition is to become a physio therapist and work with handicapped children.

Mr. Anderson's enthusiastic second period class sponsored Cindy.

Connie Gould

The 1969-70 cheerleaders proudly sponsored the second runner-up in the 1970 Beauty Pageant, Connie Gould. Connie's height of 5'4" adds to her attractive brown eyes and hair. Connie's parents are Mr. and Mrs. J. H. Gould. Last year as a junior, Connie was elected to represent BHS as a Bearkat. This year Connie worked hard as a BHS cheerleader. Connie wore both the Bearkat and cheerleader outfits with true enthusiasm and spirit.

Louisiana Tech will be Connie's new home after her graduation in May. She plans to major in business administration and is looking forward to a business career. Connie likes to decoupage, waterski and collage during her free time.

Trudi Odell

Attractive Trudi Odell was chosen as the third runner-up in the 1970 Beauty Pageant. As the only junior to make the finalists, Trudi is seventeen years old, has blonde hair, blue eyes and is 5'9" tall. Trudi is the daughter of Major and Mrs. J. K. Odell.

Trudi hopes to attend college in either El Paso, Texas or Tempe, Arizona. Her choice of career is undecided between nursing and teaching the mentally retarded. Trudi enjoys skating, water skiing and motorcycle riding. Trudi donates much of her time as a Candy striper.

Trudi was honored to be sponsored by Mrs. Graves second period class.

Donna Carrington

Spirited Donna Carrington was the fourth runner-up in the 1970 Beauty Pageant. Donna proved to be both enthusiastic and talented as a BHS cheerleader. Donna served as a homecoming maid both as a freshman and sophomore. This year we elected her as our Most Popular Athlete. Her beauty includes blonde hair, hazel eyes, and a height of 5'1". Donna is the daughter of Mr. and Mrs. Charles Carrington.

Donna's plans for the future center around her graduation in May. After graduation she hopes to have the opportunity to encounter new experiences and see the United States, particularly California.

Cheerleading requires the majority of Donna's time. However, she also enjoys writing poetry, swimming, dancing and reading the works of J. D. Slinger.

Mr. Anderson's homeroom proudly sponsored Donna.

Kats Displayed Desire to Win

An abundance of dedication and desire but a lack of depth described the 1969 Bossier Bearkat football campaign.

The Bearkats had the determination and the desire to win ball games, but they lacked the overall manpower to keep up with the pace in the tough 1-AAA District race. Bossier ended its football season with a 3-1-6 record.

Bossier, led again by coach Milford Andrews, started its season on some promising notes by beating North Caddo 7-6 and Natchitoches 13-6 in two jamboree tiffs. The Kats played superbly in each contest.

Bossier's luck began to fade though as they dropped a 6-0 loss to Minden, but the Kats fought back and played Ruston to a scoreless stalmate in the second game.

Even though the Kats played a brilliant first half and were leading 7-6, the Woodlawn Knights dealt the Kats misery by crushing them 27-7.

Things started looking up as Bossier took two consecutive wins from Carthage 20-7 and Byrd 41-6.

Bossier's up and down season dropped them back into a slump that marked losses to Northwood 14-7, Fairpark 28-12, and Capt. Shreve 28-0, but Bossier bounced back after those three losses and pulled down a victory against West Monroe by a 21-7 margin.

The last game was a heartbreaking loss to Airline by 21-7 to end the season, but the Bossier fans will never forget the loyal and hardfighting Bearkats who never gave up.

The defensive unit which held all opponents scoreless in six games was led by Bob Carter, Steve Kasper, Don Smith, Mike Van Sant, Mike Bolton, James Hubbard Skip Lampkin, Kenny Ezernack, Lee Mittleman, Jim Huckaby, and Bill Bowman.

Bossier's running attack was paced by fullback, Hubbard with 42 points; tailback, Rutherford with 30 points; quarterback, Bowman with 25 points; and wingback, Huckaby who contributed 24 points. Bowman also passed for two touchdowns.

Bossier High School's "Jolly Green Giants" proved themselves to be strong competition in the 1-AAA district basketball race.

Bossier started its season on a bad note by losing the season opener to Woodlawn 61-56 after defeating them in the Haughten Tournament for the championship.

The Giants retaliated as they downed Fair Park in their second district outing by only a slim margin of 71-70. The Giants after a slow start took a giant step and crushed the Byrd Yellow Jackets 91-63.

Bossier's annual Invitational Tournament showed the Giants being defeated only by the number one rated team in the state, Captain Shreve. Bossier had to settle for second place in its own tournament.

Bossier then stepped up to cross-town rival, Airline, in their fourth district game and downed the Vikings by ten points in a heated battle down to the wire, 86-76.

Bossier then participated in the Airline Tournament where they crushed the host team, Airline, in a championship tussle for first place.

Bossier then crossed the river to play one of the most important games of the season against Captain Shreve. Bossier's last game with the Gators, which was last season's finale, proved to be an exciting game in which Bossier came out on the top of a 37-35 score, but this time it was fatal for the Giants as they took a 64-52 loss.

The Giants started the last half of its season by putting down Woodlawn, one of the two teams which had beaten them earlier, by an 83-68 margin.

The Jolly Green Giants performed better than the first time they played Fair Park; the second time they downed Fair Park 59-51.

Bossier's final game with Byrd was quite a surprise for Bossier as the Yellow Jackets took an early lead over the Giants and held the lead until the final quarter of the game where Bossier made a come-back to defeat Byrd 61-46.

Next Bossier traveled across town to Airline for a clash against the Vikings. Bossier proved itself a championship team by beating Airline 64-57.

Bossier's final game of the year was the most thrilling event of the season as the Giants met Captain Shreve head-on in a tense game which left Bossier on the short end of a 65-60 score.

Bossier finished its season as district runner-up and was given a berth in the playoffs along with Captain Shreve.

Bossier High School's 1970 Freshman team started its season with five straight wins in district play by beating Jesuit twice, Parkway twice, and Airline once.

The Kittens played a few non-district games: this helped to improve the team as they finished with a good winning season. In district competition, the Bearkittens finished in second place.

The Kittens finished its district play by defeating Airline, who had beaten the Kittens twice before in district contests.

After a 53-51 loss to Northwood, the Bearkittens participated in the Haughton Tournament and defeated North Caddo in the opener, 68-46. This moved the Kittens to the finals against Haughton. Bossier had lost to Haughton in their last game by only one point, and had been defeated by Haughton's three points in an "overtime" game, but this did not scare the Bearkittens as they downed Haughton 74-58 to win the tournament and finished out their season.

Kats Had 7-9 Season in '69

The 1969 edition of the Bossier High Bearkats baseball team was hampered with bad luck and inexperience.

Even though the young Bearkats were rebuilding, they showed traits of a championship ball club at times as they crushed North Caddo 15-0 after suffering a 6-5 loss to them earlier. The team also split two games with Byrd, Fairpark, and Captain Shreve.

Bossier's season suffered nine losses but five of these were decided by one run as the team never gave up and hung on until the last out.

The Bearkats season also was credited with seven wins and most of them to teams that had beaten them at least once before.

Bossier reached the quarterfinals in the Dubach Tournament by downing Ouachita but were stopped by West Monroe, which stopped Bossier's bid for a third straight Dubach Tournament championship.

Key players in Bossier's campaign were All-City Selection Ron Leazer, who played left-field and carried a .342 batting average, and Craig Knight, a sophomore catcher who sported a .345 batting average to lead the team.

Randy Walker was voted the Most Valuable Player by his teammates by carrying a 4-3 chart from the mound and All-City second team honors for Bossier. Joe Stuka was named Permanent Team Captain and Most Improved Player. Don Nash was elected Most Hustle Award.

Mile Relay Went to State in '69

Bossier High School turned out one of its more successful track teams in the past three years with Coach Roy Underwood leading the way.

The tracksters finished second in district in the mile relay with Charles Norcross, Benny Foster, Danny Midyett, and Roger Smithson setting a new school record of 3:25:1. The team also finished third in district in the 880-yard relay with four boys who will be returning next year.

Bossier will have three of the four mile relay men returning in Benny Foster, Roger Smithson, who also ran the 440-yard run in 49.8 seconds, and Charles Norcross who finished the 440-yard run in 51.2 seconds. David McDaniel will also be coming back in the triple jump with a best jump of 42 feet, five inches to finish third.

Four Letter in Golf

The 1969 golf team was the best golf team Bossier had seen in four years, according to the golf adviser, Coach Earl Haynes. The "A" team members who lettered in golf were seniors, Bill Langley and Don Hill; sophomores, Jay Baronet and Rob Fayard. The "B" team was composed of Senior Bill Hayford, Juniors, Rick Langley, and Alan Van Epps, and Sophomores, Tom Burger and Roby Mittleman.

The golf team brought in nine victories and dropped seven. They finished fourth in a field of eleven schools that entered the area tournament. They recorded another fourth in the city tournament.

This year's team will see Rob Fayard and Jay Baronet returning to the "A" team. Thomas Burger, Roby Mittleman, and Alan Van Epps will finish off the remaining positions for the 1970 team.

With a win behind them, the team was bounced by state champs, Byrd. They bounced back from this defeat and recorded seven more wins and four losses. Springhill grabbed Bossier's only tie of the season.

Bossier 1969-70 teams looks very promising with the loss of only one senior, Marvin Green. Marvin distinguished himself twice in the State Tournament —once with Albert Rahm in the Boy's doubles and again in the boy's singles. He also received the Most Outstanding Tennis Player Award.
